

School of Leaders is a transformational leadership development program designed to meet the needs of leaders who are passionate about making a positive contribution to their organization and who want an ongoing developmental experience. After you download this transformative program, you'll be equipped with the tools and knowledge necessary for:

• Better creating and leading teams • Increasing employee performance and engagement • Managing conflict and risk more effectively • Making better decisions that contribute to an optimal culture • Growing as a leader day-to-day

This informative blog post will unpack all of these benefits in order to help you ensure that your organization's leaders are meeting the needs of your business. • Who is this for?

• How long does the program typically take?

• How much does it cost to be part of the School of Leaders cohort?

• What is an open cohort?
